Description	FY 2010 SGF	FY 2010 All Funds	Also Included in FY 2009
<p><b>Shift Expenditures from SGF to Fee Funds</b>            Fee funds will be used in place of SGF for Child Support Enforcement (CSE), Legal Contracts, Community Mental Health Center (CMHC) grants, and Addiction and Prevention Services (AAPS). The fee funds became available due to increases in collections for CSE and because SRS retained an administrative fee from the settlement of CMHC administrative claiming. The CMHC administrative claiming funds are one-time and will not be available in FY 2011.</p>	(7,751,118)	--	Yes
<p><b>Family Preservation and Family Services at FY 2008 Level</b>            These two programs will remain at their current spending levels.</p>	(1,800,000)	(1,800,000)	Yes

<p><b>Total Two Percent Reductions included in Submitted Budget</b></p>	(10,925,070)	(4,252,843)	
<p><b><u>Additional Reductions Identified by SRS and included in GBR</u></b></p>			
<p><b>Savings from Renegotiating Foster Care</b>            Efficiencies were gained in streamlining and reducing administrative costs of foster care case management by having one contract in each of the five regions rather than having foster care services as a requirement in both the contracts of family preservation and foster care.</p>	(14,099,718)	(15,056,820)	No
<p><b><u>GBR Reductions</u></b></p>			
<p><b>Increase Shrinkage by 1.0 percent</b>            SRS will increase the number of vacancies in the regions and central office.</p>	(886,715)	(1,848,389)	Yes

<p><b>Reduce Community Mental Health Center (CMHC) Consolidated Grants</b>            This will reduce CMHC's consolidated grants funding, which will affect 2,420 individuals in FY 2010.</p>	(7,000,000)	(7,000,000)	Yes

Description	FY 2010 SGF	FY 2010 All Funds	Also Included in FY 2009
<p><b>Reduce Community Developmental Disability Organization (CDDO) State Aid Grants</b> This will decrease CDDO grant funds for approximately 1,500 individuals with Developmental Disabilities (DD) who are not eligible for DD Waiver services or do not need the level of support provided by the waiver.</p>	(2,000,000)	(2,000,000)	No
<p><b>Integrate the Grandparents as Caregivers Program into the Temporary Assistance for Families (TANF) Program in FY 2010</b> This will continue benefits to grandparents and relatives with Temporary Assistance for Families (TANF) funding. As a consequence, the monthly benefit will decrease, cooperation with child support enforcement will be required, the legal custody requirement will end, and the adult's income will not be considered. An estimated 249 families will be affected by this change.</p>	(1,165,320)	(352,584)	No
<p><b>Limit General Assistance to 18 Months</b> This limits assistance for those individuals unable to meet federal disability standards to 18 months of eligibility and revokes the current hardship provision. Currently, adults may receive General Assistance for up to 24 months, or longer, if the hardship criteria are met. It is estimated that 1,503 adults, or 32.7 percent of the General Assistance caseload, will lose eligibility under this reduction. The average monthly cost per person is \$160.</p>	(2,886,229)	(2,886,229)	No
<p><b>Limit MediKan Mental Health Assistance to 18 Months</b> This limits MediKan Mental Health Assistance for those individuals unable to meet federal disability standards to 18 months of eligibility and revokes the current hardship provision. Description	FY 2010 SGF	FY 2010 All Funds	Also Included in FY 2009
<p><b>Release Secretary's Custody of Children in Need of Care (CINC) at Age 18</b></p> <p>Currently, young adults may remain in the custody of SRS until age 21. This reduction will end custody of a young adult at age 18. However, an exception is made for young adults who turn 18 while attending high school. This will affect an estimated 141 different young adults each year and reduce the foster care average monthly caseload by 94. This difficult choice is premised on these young adults being the least vulnerable in out-of-home care relative to the greater need for safety and security for younger children. The proposal will heighten the Department's emphasis on individual planning for the young adult's transition to independent living. Generally, these young adults are eligible for, and would receive services through other State programs to assist housing and living expenses, education or training assistance, and health insurance.</p>	(1,532,318)	(1,687,876)	No
<p><b>Youth Age 16 and Older will not be Placed in Custody for Reasons other than Maltreatment</b></p> <p>Foster care services are provided when the court finds a child to be in need of care and the parents are unable to meet the safety and care needs of the child. Under this reduction, youth age 16 or older will continue to be placed in the custody of the Secretary for reasons of maltreatment. Youth with circumstances such as out-of-control behavior, truancy, or running away will be addressed through in-home services and will not be placed in the Secretary's custody. This will affect an estimated 298 different youth each year, and reduce the foster care average monthly caseload by 170. This avoids reductions to youth who have been harmed, and whose safety is at stake. A portion of the foster care savings resulting from this decision will be offset by an increase in services such as family services and family preservation to support the youth and their family.</p>	(2,280,052)	(2,561,769)	No
<p><b>Eliminate BARS Contract</b></p> <p>The BARS program will be eliminated. BARS is an education and monitoring program for retailers who sell tobacco products. BARS mainly benefits the retailers, and in other states, the cost of similar programs is borne by the industry. SRS has entered into a memorandum of understanding with the Kansas Department of Revenue which has enhanced the State's capacity for monitoring and enforcing laws related to sales of tobacco to minors. SRS will continue to combat underage tobacco use and maintain compliance with the Synar Amendment.</p>	(100,000)	(100,000)	No

Description	FY 2010 SGF	FY 2010 All Funds	Also Included in FY 2009
<p><b>Limited Adoption Contract</b> The Adoption Contractor's responsibilities will be limited to maintaining a statewide adoption resource exchange, providing a statewide system of intakes for families interested in adoption, and implementing strategies statewide to raise public awareness of the need for families. Given the reduction in required deliverables, the contract award was reduced from \$3,132,176 to \$377,340 for FY 2010. The amount for FY 2010 will be covered by the funding shifts described on the previous page.</p>	(1,399,228)	(3,132,176)	No
<p><b>Shift Addiction and Prevention Services (AAPS) Grants Funding from SGF to Gaming Revenue</b> This will replace \$600,000 in State General Fund (SGF) monies for the Addiction and Prevention Services (AAPS) grants with a portion of the revenue anticipated in the Problem Gambling and Addictions Fund (PGAF) from the casino operations authorized by the Kansas Expanded Lottery Act. In addition, the program is being reduced by \$200,000.</p>	(800,000)	(200,000)	No
<p><b>No CIF for Community Funding and Family Services</b> This eliminates approximately \$2.9 million in Children's Initiative Fund (CIF) monies for community funding and family services. The State General Fund will replace approximately \$2.6 million of this amount. The net effect is a reduction of \$324,470.</p>	2,601,259	(324,470)	No
<p><b>SGF/Fee Fund Switch</b> Balances in various fee funds are being used to replace State General Fund expenditures.</p>	(2,200,000)	--	No
<p><b>Moratorium on Employer Contributions</b> This represents the savings from the statewide nine month moratorium on the payments to the KPERS Death and Disability Fund and the seven pay period moratorium on the employer payments to the State Employee Health Fund. Both of these actions are possible due to the health of balances in the two funds.</p>	(2,804,665)	(6,348,920)	No
<p><b>Total GBR Reductions</b></p>	(40,023,728)	(46,969,975)
