

Values Clarification Exercise

Please check the position on the line below that most closely matches your feeling about the statement.

1. If a caseworker is always there to help a family whenever they need it, and often does things for the family, the family will never be motivated to learn to do things for themselves.

_____ _____ _____ _____
 Strongly Agree Agree Disagree Strongly Disagree

2. Abuse and neglect are less emotionally traumatizing to a child than separation from his/her family and placement into foster care.

_____ _____ _____ _____
 Strongly Agree Agree Disagree Strongly Disagree

3. Immigrant families should be expected to conform to “American” child-rearing standards.

_____ _____ _____ _____
 Strongly Agree Agree Disagree Strongly Disagree

4. While it is generally accepted that children have basic rights, society should not interfere with the parents' basic right to teach, discipline and guide their children according to their own values and beliefs.
