

ATTENTION

Food Assistance Recipients

Due to the partial federal government shutdown:

- You will get your February Food Assistance benefit in January (one month early)
- You will not get a Food Assistance benefit in February
- You will need to carefully spend your benefit to make sure it lasts both months
- Due to the continuing shutdown, we do not know yet about March's benefits
- [Facts about SNAP After the Shutdown](#)

You should continue to apply for Food Assistance and provide all requested information.

For up to date information go to www.dcf.ks.gov
