WHO ARE MENTORS?

Mentors are positive role models for youth who have been in the foster care system and are transitioning to self-sufficiency. Mentors are people who have a desire to assist youth to succeed by providing advice, counsel, and support. The likelihood of success for a youth who has been in the foster care system increases tremendously when the youth has a mentor in their life.

Everyone brings different strengths and talents to the table as a mentor. You may be a person who wants to forge a relationship with one youth, be a support to that youth and helping him or her to build self-sufficiency skills over time. Or you may have one or a few special talents where many youth could benefit from working with you on a more limited basis to build skills in your areas of expertise.

Youth aging out of foster care are often in a position where they can benefit greatly from support, education, and advice in every area of self-sufficiency. This includes areas such as; learning to take care of household tasks, budgeting, tax preparation or filing taxes, career preparation, job searches, how to buy a reliable car, cooking skills, resolving billing issues, learning how to make payment arrangements, building and maintaining positive peer relationships. If you have a desire to help, please know that there are youth that can benefit from your experience!
