Main Sections of the Online Report Form

Did the incident happen to an adult or child?
This is a mandatory question that requires you to click on the drop-down box and identify if it is an adult or child report. The report will not submit successfully if this field is left blank.

Reporter Information
In this section, fill out your contact information so we can contact you if additional information is needed. We must have at least your name and a phone number to ensure we can properly address your concern in case additional information is needed. To make an anonymous report, please contact us at 1-800-922-5330.
**Incident information**

In this section, describe the situation which led you to submit a report on the alleged victim. This will include the date/s and possible location, if known. If anyone saw the incident happen, you need to add their contact information to the Other Participant Section. Please answer as many of the following questions as you can. A lack of description and details may result in your report being closed at intake without further action. It’s very important that you provide as much factual detail as possible regarding the situation. The information provided must meet the definitions of abuse, neglect, and/or exploitation according to Kansas codes in order to be assigned for investigation.

Please describe the incident in detail and include the following information.

What has happened that led you to report today? (required)

Did you witness the situation; did you receive this information from a 3rd party; did the victim or adult disclose the situation to you?

Does the victim have any mental health concerns, vulnerabilities, disabilities or behavioral concerns? How do they interact with their peers or towards adults? Describe their performance or efforts at school?

Do they use timeout, physical discipline, yell, take away items etc....?

Does the caregiver have any mental health concerns, vulnerabilities, disabilities or behavioral concerns? How do they interact with the children or towards adults? Are they able to provide adequate care?

This can include but not limited to: Firearms in the Home; Dangerous Pets or Animals in the Home; Consumer or Family Mental Health Issues; Consumer or Family Aggressive Behavior; Condition of the Home; Communicable Diseases; or Other Factors.
Participant Section
In the Participant section, provide detailed information about everyone involved in the incident; alleged victims, alleged perpetrators, others living in the home and anyone one else who can provide information about the incident. As you continue through the online form, you can add multiple people in each category.

If possible, provide the following information for each person involved in the incident you are reporting:

- Names
- Dates of birth or approximate ages
- Address
- Phone number
- Current Location
- Primary language
- Vulnerable Condition/Disability Type
- Contact information
- School
- Access to the Alleged Perpetrator

You are also asked how each person was connected to the incident you are reporting. Select from the following list.
1. Alleged Victim
2. Alleged Perpetrator
3. Both Alleged Victim and Alleged Perpetrator
4. Other Possible Participants **

**To assist us in locating and assisting the adult or child, always provide information about a parent or caregiver

Additional items:

Attachments
You can attach documents to the web report by clicking on the “Add” link on the Attachment bar at the bottom of the report.

Final Steps
Spell check-Click on the “Spell Check” link located on the Protective Services Report bar at top of the report.
