II. FUNDING OPPORTUNITY / PROGRAM BACKGROUND

KCDD is providing funding to organizations to meet the KCDD Quality Assurance Goal objective of the development and implementation of a coordinated investigatory, reporting and response system to prevent the Abuse, Neglect and Exploitation of persons with Intellectual and Developmental Disabilities (I/DD). Applicants must successfully provide a comprehensive approach of research and gap analysis and develop a strategy that will help individuals with I/DD live free and safe within their communities. There will be three phases to this project: Year 1 will involve research, analysis, and review of the current system strengths and needs; Year 2, 3 and 4 will involve development and implementation of approved strategies from year 1.

Program Philosophy

Kansans with I/DD should be free from ANE so they are allowed to feel safe and live healthy productive lives in community settings of their choice. Types of abuse: verbal-emotional, physical, sexual, neglect and financial.

Purpose, Goals and Objectives

The purpose of this program is for comprehensive research of ANE of individuals with I/DD in Kansas. The research should include a review of systems integration, interagency coordination and prevention efforts, as well as make recommendations for improvement in the prevention of ANE of individuals with I/DD. Because abuse is more widely prevalent and pervasive among individuals with I/DD, we want to find new ways to prevent abuse, neglect and exploitation. We expect the study will identify gaps in the current system and result in the development of new interventions, training tools and possible systems change ideas.

This grant will be awarded to an organization that will be able to research and deliver an ANE training and implement self-advocacy trainings to persons with I/DD in both community and institutional settings. These trainings are for persons with I/DD to recognize abuse, strategies in the prevention of abuse and how/where to report ANE. The program should target individuals with I/DD who reside in the State of Kansas, service providers, support staff and communities for awareness. Organizations must have the ability to make a regional or statewide impact.

Activities of this investment must be consistent with ***KCDD Council philosophies and values and must increase productivity, integration, independence and inclusion for people with developmental disabilities.***

As a group, people with disabilities are older, poorer, less educated and less employed than people without disabilities, which constitutes the single largest minority group identified in the United States that experience a high level of ANE. The problem is chronic and occurs throughout the lifespan. Most individuals with developmental disabilities are vulnerable because of real or perceived inability to fight or flee, notify others or testify about abuse or neglect. Their social and situational factors put them at a greater risk for abuse with limited information regarding the criminal victimization they will experience. The information available is horrifying in nature and scope. The disability population is further complicated by the fact that 31.8 percent of the total Kansas population lives in rural areas and cities with populations of less than 5,000 where services and supports are difficult to access (www.kdads.ks.gov). Historically, people with disabilities are not informed of their rights, haven't received skills training to self-advocate and, as children, have been subject to the use of restraints and seclusion in schools.

Through the 1990s, research indicated high staff turnover rates, meaning people with developmental disabilities were more likely to be exposed to many caregivers. That exposure to large numbers of caregivers increase the risk of abuse. In 1992, research suggested 26 percent of assailants were paid disability service providers and only 11 percent were other service providers. By 1995, research suggested 67 percent of the perpetrators of abuse of individuals with developmental disabilities worked in disability services. This is consistent with studies that suggest 97 to 99 percent of perpetrators were known and trusted by the victim.

Individuals are not safer or better protected in institutions. Evidence clearly indicates interagency collaboration for the protection, reporting, data collection and strategic intervention strategies were not functional with mass institutionalization. For example, even in the 1990s, research indicated 80 to 85 percent of institutional criminal abuse was not reported to the appropriate authorities.

The extent to which unnecessary prolonged abuse occurs is directly correlative to the degree that independence and self-determination is lacking. For example, a common feature of prolonged victimization results from abusers convincing their victims that reporting the abuse will result in the victim's removal from their home or loss of independence <http://www.hightidepress.com/Abuse-Neglect-2011.pdf>. (Abuse and Neglect: Individuals with Developmental Disabilities; David J. Roof, Ph.D., Efthalia Esser; North Dakota Center for Persons with Disabilities, 2011)

In 2013, the prevalence of disability in Kansas was: 12.2 percent for persons of all ages and the poverty rate of working-age people with disabilities in Kansas was 24 percent (http://www.disabilitystatistics.org/StatusReports/2013-PDF/2013-StatusReport_KS.pdf).

Supports, services, training, information and resources for prevention of ANE will continue to be an area of need in Kansas. Stakeholders have expressed concerns for the lack of data collection and capacity analysis regarding ANE incidents, mediation efforts and prosecution of offenders. According to DCF's Prevention and Protection Services (PPS) report from State Fiscal Year 2016, the total number of Adult Protective Services (APS) reports received was 16,456. APS reports involving Home and Community Based Services (HCBS)

waiver clients averaged approximately 300 reports per month. About 200 of those reports investigated are for Kansans receiving the I/DD waiver alone. KDADS staff has indicated that 80 to 90 percent of referrals they receive are from the I/DD population.

According to APS reports from State Fiscal Year 2016, statewide, 19.9 percent of assigned adult reports involve either fiduciary abuse or exploitation, 31.6 percent of financial exploitation investigations involve adults age 80 and older. The top three maltreatment types involved in assigned child reports (with or without disabilities) are physical abuse (32.7 percent), lack of supervision (18.7 percent), and emotional abuse (20.3 percent). Both APS and KDADS have indicated there is a continued need to work with advocacy organizations and other stakeholders to get information and training distributed statewide.

A quality assurance system contributes to and protects self-determination, independence, productivity and integration and inclusion in all facets of community life. Survey results indicate that 57.41 percent of participating Kansans prioritized quality assurance (person centered supports and services) as a priority area of concern (KCDD Priorities Survey 2015, KCDD Survey on Adult Guardianship in KS 2015, SACK Conference 2015, Interhab Conference 2015).

Survey results also indicate the following:

- Self-advocates need skills training necessary to successfully exercise their rights and maintain choice in their lives.
- Individuals with developmental disabilities are at greater risk of abuse, neglect and exploitation and need education, advocacy and training that extends beyond the urban core, to include those individuals and families in rural areas.
- Self-advocates need support and guidance to develop and manage coalitions, networks of support and outreach efforts to insure continued investigation and improvement of quality assurance activities in Kansas.
- Quality assurance systems, regulations and legislation require continued oversight, analysis and advocacy efforts to insure they contribute to and protect self-determination, independence, productivity and integration and inclusion in all facets of community life.

Program Outcomes

The grantee shall be responsible for providing either direct or indirect services to support the research of evidence-based strategies that will result in improvements in targeted state-or community-level factors, while also contributing to State and local outcomes.

Research

- Coordinate with I/DD stakeholders, State government organizations, disability organizations and community organizations to gather data for a coordinated investigatory reporting and response system to promote awareness and prevention of ANE of persons with I/DD.
- Assess current State capacity systems and activities or initiatives to address the gaps in the program: How many victims with disabilities reported abuse to authorities; what interventions were in place to protect people with disabilities from alleged perpetrators; how many alleged perpetrators were arrested; what do people with disabilities have to say about ANE; what are views and opinions of their parents and immediate family members; what do the victims and families of victims say about their experiences with abuse and agency responses in reporting abuse; why is the abuse of people with I/DD so prevalent; why do so many people with I/DD become victims on multiple occasions; why are so many cases not reported to authorities; why are so few perpetrators arrested; what kind of therapy is provided to people with I/DD and why are they not getting the therapy they need; how many victims of sexual and physical abuse receive benefits from a Crime Victim Program; how much in-depth media reporting is there on

abuse of people with I/DD; what are the laws regarding punishment of perpetrators of people with I/DD?

- How to reduce the risk of abuse, how to improve reporting, how to more effectively investigate and prosecute, how to increase referrals to therapists and how to better connect victims with compensation programs.

Analysis

- What is most striking about the research?
- What changes in practice of the research for parents, law enforcement, victim services or other groups?
- How do the findings compare to information already available, or are the findings new?
- Are the findings consistent with other research already completed?
- What policy changes are needed in view of the findings?
- What questions do these findings raise?

Implementation

- Literature should be created and distributed to parents, families, and people with disabilities through agencies that provide education, counseling or services to the disability community. Information will be posted on the KCDD website.
- Provide training and information to domestic/sexual violence shelters throughout the state on the unique needs of individuals with developmental disabilities who may be in need of their services.
- Encourage crisis counseling, where available and appropriate, to facilitate the healing and recovery process for individuals with developmental disabilities who have experienced abuse, neglect and/or exploitation.
- Provide training and training materials on recognizing the signs and symptoms of abuse, neglect and exploitation of persons with developmental disabilities to support coordinators, contracted quality assurance monitors, guardians, self-advocacy groups, provider associations, all service providers and others identified.
- Provide support for persons with I/DD so they may participate in legislative activities, including meetings with local legislators and providing testimony to promote the protection and rights of persons with I/DD.
- Provide support to people with I/DD on how to communicate and report suspected ANE.
- Provide Kansans with I/DD, their families and supporters, better information about ANE prevention and how to effectively identify, report and respond to issues. Those with I/DD need proper access to services and support towards better quality assurance in helping prevent ANE.
- Coordinate with individual and group activities surrounding self advocacy and self determination to advocate for victims of ANE with an effective system to investigate, respond to and obtain justice for people with I/DD in prosecution of their offender to the greatest extent of the law.
- Advocate the initiatives that utilize the rights granted under the Home and Community Based Services (HCBS) settings rule and other disability rights, to educate those in community settings about advocacy, rights/responsibilities, safe environments, and community-based services and supports.
- Obtain and share information with DCF protective investigators and law enforcement officials on interviewing tips and techniques to be used with individuals with developmental disabilities during the course of their investigations. Provide information to DCF protective investigators and law enforcement officials regarding the signs and symptoms of ANE of individuals with developmental disabilities.

VI. REVIEW AND SELECTION PROCESS

Grant Peer Review Panel

DCF is committed to ensuring a fair and equitable process for awarding grants. Eligible applications will be evaluated, scored and rated by a Grant Peer Review Panel. Peer review is the process by which competitive, discretionary grant applications are evaluated by internal and external reviewers. Peer reviewers evaluate applications to ensure that the information presented is reasonable, understandable, measurable and achievable, as well as consistent with program or legislative requirements as stated in the RFP.

DCF leadership uses the peer review ratings and summaries as guidance when selecting projects for awards. Peer review ratings are advisory only, however, and do not bind DCF to a particular decision. In addition to peer review ratings, considerations may include, but are not limited to, underserved populations, strategic priorities, past performance, geographic balance and available funding.

Selection Criteria

The Grant Peer Review Panel uses a scoring guide, which coincides with the RFP, when reviewing applications. The scoring guide uses a system of 100 total points, as noted in Section V – Application Process, as well as below:

- 1. Grant Application Information Sheet (Attachment A) (5 points)**
- 2. Program Abstract (10 points)**
- 3. Program Narrative (75 points)**
 - a. Statement of the Problem (10 points)
 - b. Project Design (30 points)
 - c. Implementation Plan (20 points)
 - d. Management Structure (10 points)
 - e. Sustainability Plan (5 points)
- 4. Grant Budget Request (Attachment B), Budget Narrative/Justification and Cost Allocation Plan (10 points)**

State Audit and Monitoring

In general, audits must be conducted in accordance with the provisions contained in 2 CFR Chapter I, Chapter II, Part 200, et al. Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards; Final Rule.

Entities that expend \$750,000 or more during their fiscal year in federal awards must have an audit in compliance with provisions of the Uniform Requirements. The audit must:

- Be conducted in accordance with Generally Accepted Government Auditing Standards.
- Have a determination whether the financial statements of the organization are presented fairly in all material respects in accordance with generally accepted accounting principles. They must include a Schedule of Expenditures of Federal Awards (SEFA) and opine whether it is stated fairly in all material respects in relation to the financial statements taken as a whole.
- Include internal control testing—the auditor must perform procedures to obtain an understanding of internal control over federal and State programs and determine the sufficiency of those controls over federal and State programs.
- Include Compliance testing—the auditor must determine whether the organization has complied with federal and State statutes, regulations, and the terms and conditions of federal and State awards that may have a direct and material effect on major programs.

Entities that do not fall under the audit requirements noted above (i.e., have federal funding less than the \$750,000 threshold, have a federal/State funding mix or are entirely state funded) must have an audit or may be subject to internal monitoring performed by DCF staff. The audit requirements **must** be determined at the time of the negotiation of the award and approved by DCF Audit Services. Audits **must** include at a minimum:

- A financial audit of the entity conducted in accordance with generally-accepted auditing standards. The Secretary has deemed it proper and necessary according to the above statute to enter into a Grant with the Grantee for agreed upon exchange of services listed herein as stated in the Scope of Work. This offer, which asks for a promise in return as the agreed exchange for a promise, is an offer to enter a bilateral agreement.
- c. In no event shall the Grantee be entitled to payments for costs incurred in excess of the amount set forth in this Grant without prior written approval of the Grantor. Unless modified by written Amendment to this Agreement, there shall be no allowance for costs incurred outside the Scope of Work set forth in Section 9.0. The Grantee shall only be paid for actual work performed and services delivered.

The funding amount for this Grant is \$(M). Indirect Costs should not exceed 10% of this Grant Budget.

10.1 AVAILABILITY OF ANTICIPATED FEDERAL FUNDS

The formal approval of grant awards, and the obligation and reimbursement of funds to them, are contingent upon the availability of anticipated federal funds, as determined by Congress, Kansas statute, other Federal or State action, as well as the Specific Terms and Conditions contained in this NOGA.

10.2 COST PRINCIPLES

At times, the State matches federal funds with state funds and therefore follows federal guidelines and regulations. Requests for reimbursement of grant awards shall be limited to those expenditures made consistent with the provisions of this NOGA and the cost principles set forth as follows:

- a. The Code of Federal Regulations (CFR), including 45 CFR Parts 46, 77, 80, 84, 86, 91, 95, 96, 97, and 100; 46 CFR Part 381; 48 CFR Part 31.2. For more information on the CFRs, visit: <http://www.ecfr.gov/cgi-bin/ECFR?SID=2d5f57c64e7afab744f98df61bf24177&page=simple>.

10.3 ALLOWABLE COSTS

Costs must be necessary, reasonable for and allocable to an approved grant award; incurred within the grant award period; itemized in the NOGA's Approved Grant Budget Authority; and in accordance with the NOGA provisions. Grant-related items should be purchased separately from other items purchased.

The Grantee Agency must follow their agency's purchasing regulations, or the State of Kansas regulations, whichever is more stringent.

10.4 INELIGIBLE ITEMS

Items ineligible for grant award reimbursement include: alcohol, for consumption purposes; land; construction or reconstruction of driving ranges, towers and skid pads; construction, rehabilitation or remodeling of state, local or private buildings or structures; and office furnishings and fixtures. Grant funds shall never be used to purchase property or build facilities.

Grantees are responsible for paying for grant-funded goods and services in a timely manner.

Grant funds may not be used to pay late fees, finance charges, interest, or any costs associated with late or overdue bills. All such costs are the sole responsibility of the Grantee.

10.5 PROPORTIONATE FUNDING

Reimbursement of costs for personnel, major equipment and other significant purchases must be limited to the portion utilized on the project.

10.6 DUPLICATION OF FUNDS

By acceptance of this Grant, the Grantee declares and assures that no costs or expenditures which have been funded by other federal or state grant funds have been duplicated or otherwise included as part of the funding request in this Grant.

10.7 SUPPLANTATION OF GRANT FUNDS

The Grantee shall not use grant monies to pay for expenses already being paid for or have been

paid for by another source. The Grantee shall not replace or supplant funding of another existing program with funds provided for in this Grant. Funds granted under this Grant Award may not be used for any purpose other than the one defined in this document.

10.8 START-UP COSTS

Grantees may have start-up costs approved which were incurred within the ninety (90) day period immediately preceding the effective date of the award. Requests for start-up costs must be negotiated during the pre-award period. Start-up costs must be necessary for the effective and economical conduct of the Grant and the costs must be otherwise allowable. Pre-award expenditures are made at the Grantee's risk. Approval of start-up costs does not obligate DCF under the following conditions: (1) lack of funding appropriation; (2) if the award is not subsequently made; or (3) if a Grant is made for a lesser amount than the Grantee expected. Start-up costs are one time monies and are not to be approved for continuation Grants.

10.9 PROGRAM INCOME

Program income means gross income earned by the Grantee that is directly generated by a supported activity or earned as a result of the Grant Award. Program income includes, but is not limited to, income from fees for services performed, the use of rental or real or personal property acquired under the award, the sale of commodities or items fabricated under the award, license fees and royalties on patents and copyrights and interest on loans made with award funds. Interest earned on advances of funds is not program income. Program income does not include the receipt of principal on loans, rebates, credits, documents, etc., or interest earned on any of them. Unless otherwise specified in the Grant, program income received or accrued by the Grantee during the period of this award shall be retained and added to the funds committed to this Grant and used to further Grant objectives. Also, unless otherwise specified, the Grantee shall have no obligation for program income generated and received beyond the period of this award.

10.10 UNEARNED GRANT FUNDS

Unless otherwise specified in a Grant award document, all unearned Federal Grant funds on hand at the end of the Grant period shall be returned to DCF within sixty (60) days of the end of the grant period. Revenue is earned when the allowed expenses (according to the Grant terms) are incurred and properly reported (according to the Grant terms) and timely submitted to DCF for reimbursement. The Grantee shall remit the amount due by check or money order payable to DCF as coordinated with the Granting Agency.

Grantees may keep any interest or other investment income earned on advances of DCF Grant funds as long as the monies are reinvested in the Grant itself. This includes any interest or investment income earned by sub-grantees and cost-type contractors on advances to them that are attributable to advances of DCF Grant funds to the Grantee. DCF may seek recovery of costs due to litigation.

10.11 SUB-AWARDS

A Grantee Agency may enter into sub-awards only with prior written approval from DCF. Sub-Grantee Agencies must sign off on and adhere to the Specific Terms and Conditions contained within this NOGA and are subject to the same Tax Clearance and Debarment requirements as the Grantee Agency, as well as the audit requirements outlined within the NOGA. A copy of Sub-Grantee Tax Clearance(s), Debarment Memorandum(s), and the signed Sub-Grantee Acknowledgement Form (OGC-1012), must be submitted with this NOGA for approval. Sub-Grantees shall utilize the grant funds in a manner consistent with their given budget and abide by the restrictions found elsewhere within these Grant conditions.

11.0 PAYMENTS

Unless otherwise provided, DCF shall pay amounts due and payable within thirty (30) days after receipt of a valid Budget Transaction Report, Budget Itemization Report and Status Report. In accordance with the Kansas Prompt Payment Act (K.S.A 75-6403), payments will be made within thirty (30) days from the date the Report was received by DCF. Please note the "payment date" is considered to be the date on the check to the agency, not the date it is received by the agency. Any payments not processed within thirty (30) days are subject to an interest penalty. Requests for interest to be paid on an invoice must be sent to the Executive Officer of the Agency. Interest will be paid at a rate of 1.5% per month of the unpaid balance due. Total compensation shall not exceed \$(M). After payment of the final Budget Transaction Request no further amount shall be due or payable by DCF under this Grant.

12.0 GRANT CHANGES AND BUDGET MODIFICATIONS

12.1 REVISION REQUESTS

A Grantee Agency may submit a Revision Request (OGC-1008) during the grant year to their designated OGC Grant and Contract Specialist if they would like to move funding from one line item to another, within the existing grant year, without changing the Total Expense amount. If the

requested funding change is less than 10% of the line item amount where the money is coming from no Revision is required. Approval is necessary prior to making any expenditure. In addition, approval is necessary before requesting reimbursement for such expenses. If reimbursement is being requested for monies over 10% of a line item and approval has not been given, those expenses will not be reimbursed. The Grantee Agency shall continue to utilize the grant funds in a manner consistent with the Approved Grant Budget Authority, abiding by the restrictions found elsewhere within these Grant conditions.

Revision Requests will not be accepted during the last thirty (30) days of the grant term.

12.2 AMENDMENTS

Only DCF will determine if an Amendment is warranted to extend the Grant Year end date, increase/decrease the Total Expense amount, or change the scope of work within the grant year.

- a. DCF may at any time, by written order, make changes within the general scope of this Grant, or any order issued hereunder, in any one or more of the following:
 - i. Description of services to be performed.
 - ii. Time of performance (i.e., hours of the day, days of the week, etc.)
 - iii. Place of performance of the services.
 - iv. Place of delivery.
- b. If any such change causes an increase or decrease in the cost of, or the time required for performance of any part of the work under this Grant, DCF shall make an adjustment in the price, the delivery schedule, or both, and shall modify the Grant.
- c. The Grantee must assert its right to an adjustment under this clause within thirty (30) working days of the written notification. However, if DCF decides the facts justify it, DCF may receive and act upon a proposal submitted before final payment of this Grant.
- d. Failure to agree on any adjustment shall be a dispute under the Disputes Provision. However, nothing in this provision shall excuse the Grantee from proceeding with the Grant as changed.
- e. Except as provided in this provision, no order, statement, or conduct of the Grantee shall be treated as a change to the Grant under this provision or entitle the Grantee to an equitable adjustment.

12.3 MODIFICATIONS SUBJECT TO FUNDING CHANGES

The State of Kansas' current financial situation does not make it possible for DCF to make firm, unalterable financial commitments. In the event DCF determines lack of funding requires a modification of this Agreement, DCF reserves the right to renegotiate terms and conditions of the Agreement with the Grantee. The Grantee agrees to cooperate with DCF in negotiating this Agreement should DCF determine such modification is necessary to manage the resources available to DCF.

In the event DCF is subject to a formal reduction or allotment, DCF reserves the right to alter or adjust the payment amounts or terms of this Agreement to meet funding reductions or allotments by sending a written notice of such alterations or adjustments to the Grantee fifteen (15) days before such alterations or adjustments become effective. Should the Grantee believe there is a need to modify other terms or conditions of the Agreement, DCF will, in good faith, negotiate regarding the terms of the Agreement.

12.4 CHANGES IN KEY PERSONNEL OR BOARD MEMBERSHIP

The Grantee Agency must notify their DCF Program Manager if there are any changes in key personnel at the Grantee Agency and/or changes to board membership. DCF has the right to audit the Grantee Agency if there has been a change in such personnel.

13.0 DATA

DCF warrants that technical data issued to the Grantee for use in performing professional services under this Grant shall be current, accurate, complete and adequate for its intended purpose. The Grantee shall notify their DCF Program Manager as soon as possible upon discovering any data deficiency. The DCF Program Manager shall take prompt and reasonable action to reconcile or remedy the data deficiency(ies).

The Grantee may have access to private or confidential data maintained by DCF to the extent necessary to carry out its responsibilities under this Grant. The Grantee must comply with all the requirements of the Kansas Open Records Act in providing services under this Grant. The Grantee shall accept full responsibility for providing adequate supervision and training to its agents and employees to ensure compliance with the Act. No private or confidential data collected, maintained or used in the course of the performance of this Grant shall be disseminated by either party except as authorized by statute, either during the period of the Grant or thereafter. The Grantee must agree to return any or all data furnished by DCF promptly at the request of DCF in whatever form it is maintained by the Grantee. On the termination or expiration of this Grant, the Grantee will not use any of such data or any material derived from the data for any purpose and, where so instructed by DCF, will destroy or render it unreadable.

14.0 GOVERNING LAW, CONSENT TO JURISDICTION

This Award, and any act, agreement, contract or transactions to which they shall apply, or which are contemplated hereby or hereunder, shall be governed by, and construed, interpreted and enforced in accordance with the laws of the State of Kansas and, to the extent applicable, the United States of America.

Any dispute arising out of, or any suit or other proceedings pursuant to or arising out of these Specific Terms and Conditions, or any act, agreement, contract or transactions to which they shall apply or which are contemplated hereby or hereunder, shall be subject to the jurisdiction of a court of competent jurisdiction located in the county of Shawnee, State of Kansas, and the Grantee shall take any and all necessary or appropriate action to submit to the jurisdiction of such court.

15.0 COMPLIANCE WITH LAWS AND REGULATIONS

The Grantee agrees it will comply with all federal, state, and local laws and regulations in effect at any time during the course of this Grant. The Grantee shall certify to DCF it will provide a drug-free workplace and as a condition of the Grant, the Grantee will not engage in the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance in conducting any activity with the Grant.

16.0 REMOVAL OF GRANTEE'S PERSONNEL

If DCF deems the work of any of the Grantee's employees to be substandard or unsatisfactory, DCF will advise the Grantee of the reasons for such judgment and allow reasonable time for correcting the substandard or unsatisfactory performance. The Grantee agrees to remove such employees immediately upon completion of the thirty (30) days allotted if DCF deems improvement in the work performance has not been adequate. If one or more of these employees has been designated as key personnel by this Grant, the Grantee agrees to use its best efforts to replace them with others who have substantially equal abilities and qualifications and who are acceptable to DCF.

17.0 NO WAIVER OF CONDITIONS

Failure of DCF to insist on strict performance shall not constitute a waiver of any of the provisions of this Grant or waiver of any other default of the Grantee.

18.0 FORCE MAJEURE

The Grantee shall not be liable if the failure to perform this Grant arises out of causes beyond the control of the Grantee. Causes may include, but are not limited to, acts of nature, fires, quarantine, strikes other than by the Grantee's employees, and freight embargoes.

19.0 TERMINATION

19.1 GRANT TERMINATION

Cause for immediate termination is limited to the following: Grantee's failure to perform the requirements and conditions set forth in their Grant; Grantee's material breach of the terms and conditions of this agreement; the willful breach, habitual neglect, or other continued failure of the Grantee to abide by any law, rule, procedure or policy which the Grantee has received notice from either DCF or the State of Kansas; the inability to submit a valid Kansas Certificate of Tax Clearance for the Grantee Agency from the Kansas Department of Revenue; the Grantee Agency or any of its employees is found to be debarred or suspended. In the event DCF terminates this agreement for cause the Grantee will be provided written notice of the reasons therefore.

19.2 TERMINATION DUE TO LACK OF FUNDING APPROPRIATION

If sufficient funds are not appropriated to continue the function performed in this agreement and for the payment of the charges hereunder, DCF may terminate this agreement at the end of its current fiscal year. DCF agrees to give written notice of termination to the Grantee at least thirty (30) days prior to the end of its current fiscal year, and shall give such notice for a greater period prior to the end of such fiscal year as may be provided in this agreement, except that such notice shall not be required prior to ninety (90) days before the end of such fiscal year. DCF will pay to the Grantee, all regular Grant payments incurred through the end of such fiscal year, plus grant charges incidental to the return of any such equipment. The termination of the Grant pursuant to this paragraph shall not cause any penalty to be charged to the agency or the Grantee.

19.3 TERMINATION FOR CONVENIENCE

DCF shall terminate performance of work under this Grant in whole or in part whenever, for any reason, DCF shall determine the termination is in the best interest of the State of Kansas. DCF shall be obligated only for those services and materials rendered and accepted prior to the date of termination.

Subject to proof of market price, the measure of damages for non-delivery or repudiation by the Grantee, shall be the difference between the market price at the time when DCF learned of the breach and the Grant price, combined with any incidental and consequential damages, less expense saved as a result of the Grantee's breach. Market price shall be determined as of the place for tender or, in cases of rejection after arrival or revocation of acceptance, as of the place of arrival.

If it is determined, after notice of termination for cause, the Grantee's failure was due to causes beyond the control of or negligence of the Grantee, the termination shall be a termination for convenience in the best interest of the State.

In the event of termination, the Grantee shall receive payment pro-rated for the portion of the Grant period services were provided to and/or goods were accepted by DCF subject to any offset by DCF for actual damages including loss of federal matching funds.

The rights and remedies of DCF provided for in this Grant shall not be exclusive and are in addition to any other rights and remedies provided by law.

20.0 SEVERABILITY

If any provision of this Grant is determined by a court of competent jurisdiction to be invalid or unenforceable to any extent, the remainder of this Grant shall not be affected and each provision of this contract shall be enforced to the fullest extent permitted by law.

21.0 REVIEWS AND HEARINGS

The Grantee agrees to advise DCF of all complaints made known to the Grantee and refer all appeals or fair hearing requests to the State. DCF has the discretion to require the Grantee to participate in any review, appeal, fair hearing or litigation involving issues related to this Grant.
