A Grant is a legal instrument for transferring money, property or services to the recipient in order to accomplish a public purpose of support or stimulation where there will be no substantial involvement between the State agency and the recipient during performance as defined in the Federal Grant and Cooperative Agreement Act of 1977, 31 U.S.C. 6304. This act distinguishes federal assistance relationships or Grant and cooperative agreements from procurement relationships or procurement contracts. Unlike a procurement contract, which is a legal instrument for acquiring supplies or services for the direct benefit of or use by the State Government, a grant, like a cooperative agreement, has, as its main purpose, support or stimulation. There are two main types of grants, categorical grants and block grants.
- b. The law of the State of Kansas DCF, K.S.A. 39-708C, states the Secretary shall have the power and duty to determine the general policies relating to all forms of social welfare, which are administered or supervised by the Secretary. The Secretary has deemed it proper and necessary, according to the above statute, to enter into a Grant with the Grantee for agreed upon exchange of services listed herein as stated in the Scope of Work. This offer, which asks for a promise in return as the agreed exchange for a promise, is an offer to enter a bilateral agreement.
- c. In no event shall the Grantee be entitled to payments for costs incurred in excess of the amount set forth in this Grant without prior written approval of the Grantor. Unless modified by written Amendment to this Agreement, there shall be no allowance for costs incurred outside the Scope of Work set forth in Section 9.0. The Grantee shall only be paid for actual work performed and services delivered.

- d. The term of this grant is from **10/01/2023 to 09/30/2025**. The Grantee will not receive payment for any expenditure made or incurred prior to 10/01/2023 or after 09/30/2025, the term of this Grant award.

5.0 INSPECTION AND ACCEPTANCE

- a. Inspection and acceptance of all submittals shall be accomplished by the DCF Program Manager or his/her duly authorized representative.
- b. All efforts performed under this Grant are subject to inspection by various agencies. The Grantee may be required to provide personnel to accompany the regulatory agency inspection or review teams. Grantee personnel shall be knowledgeable concerning the work being inspected. 6.0 SPECIAL GRANT REQUIREMENTS

The Grantor's Contractual Provisions (DA-146a) is applicable to and a part of this Grant and is incorporated herein by reference as Attachment B.

7.0 ORDER OF PRECEDENCE

In the event of an inconsistency or conflict between or among provisions of this Grant, the inconsistency shall be resolved by giving precedence as follows:

- a. Attachment B (Contractual Provisions – DA-146a)
- b. Amendments to the Award
- c. The Award
- d. Attachment C (Special Provisions Incorporated by Reference)
- e. Other provisions of this Grant whether incorporated by reference or otherwise.

8.0 GENERAL RELATIONSHIP

The Grantee agrees in all matters relating to this Grant, it shall be acting as an independent contractor and shall assume and pay all liabilities and perform all obligations imposed with respect to the performance of this Grant. The Grantee shall have no right, power or authority to create any obligation, expressed or implied, on behalf of DCF and shall have no authority to represent DCF as an agent. The relationship of DCF to the grantee is not affected by the

grantee's status as a for-profit or a not-for-profit entity. All terms and conditions within this award shall apply regardless of grantee's status.

9.0 SCOPE OF WORK AND DELIVERABLES

The Grantee, shall, in conformance with the Specific Terms and Conditions set forth herein, provide all things necessary and/or incidental to the furnishing and delivery to DCF, all of the supplies or services set forth below.

9.1 BACKGROUND AND SCOPE

CASA of Johnson and Wyandotte Counties (CASAJWC) is a non-profit organization serving children and teens who have experienced abuse and neglect and are currently under the court's jurisdiction as a child in need of care (CINC) in Johnson or Wyandotte Counties. The court appoints volunteer advocates for youth in these cases. With the help of the advocates, CASAJWC anticipates serving 400 youth in year one and 450 in year two of the grant period. CASAJWC is seeking funding to increase the capacity of the organization through the renovation of their training space, which will support their efforts to serve more children in the foster care system through their volunteer advocate model.

To support an improved volunteer experience, CASAJWC will renovate their training space to allow for improved and expanded training capacity to include both in-person and virtual training options. The one-time purchase of a ThinkHub® collaborative system with touchscreen displays and supporting audio/visual equipment by TIV will enable staff, peer mentors, advocates, and those they work with to interact regardless of their location as well as provide a higher level training experience.

In support of this increased technology, CASAJWC will employ an enhanced peer mentor model focused on improving the advocate process and experience. Twenty-four peer mentors will support 84 advocates over the two-year period who would benefit from additional resources. Each peer mentor will be paired with an advocate to answer any questions and to provide hands-on training. The advanced technology will allow for both in-person and virtual support.

9.2 SERVICES TO BE PROVIDED

CASAJWC has two core programs: Child Advocacy Program and Teen Advocacy Program for older youth. CASAJWC advocacy services include regularly visiting with the child, representing the child's best interests as it relates to their physical and emotional well-being, monitoring court-ordered services, and attending court hearings/meetings related to the child's best interest.

Child Advocacy Program serves children involved in the court system due to emotional, physical, or sexual abuse, neglect, or abandonment. A trained CASA volunteer is assigned to work one-on-one with the child and to gather objective information from all parties such as parents, social workers, teachers, doctors, therapists, and foster parents. Before court hearings, the CASA volunteer meets

with the numerous professionals and caregivers involved and makes a written report to the court regarding actions in the best interest of the child. The CASA volunteer remains assigned until a permanent resolution and placement of the child is achieved.

Teen Advocacy Program addresses the specific needs of the older youth who are referred to CASA. Older youth are significantly less likely to find a permanent home through adoption or legal guardianship. As a result, youths often "age out" of foster care without tools, resources, and support to be self-sufficient. The Teen Advocacy program pairs teens with specially trained CASA volunteers to help guide and support them during their critical transition to independence. CASA volunteers within the program have completed Fostering Futures, a curriculum designed to engage older youth in actively planning their transition to independence. Above the advocate role, the presence of these specially trained CASAs to guide teens in examining their futures can have profound impacts on their educational, employment, and social outcomes.

The coronavirus pandemic changed CASAJWC's organizational functioning and service delivery overall, in addition to altering the landscape of the public child welfare and court systems. All volunteer interactions (e.g., training, interviews, and court hearings/case meetings) also went virtual. CASAJWC staff had to identify strategies and techniques for volunteers to engage with and assess the needs of the children under their care in a virtual environment. Since moving back to a hybrid environment many of the court hearings and case plans for the cases are still held virtual.

To accommodate these changes and to support an overall improved volunteer experience, CASAJWC will renovate their training space to allow for improved and expanded training capacity to include both in-person and virtual training options. The one-time purchase of a ThinkHub® collaborative system with touchscreen displays and supporting audio/visual equipment by purchased from TIV will enable staff, peer mentors, advocates, and those we work with to interact regardless of their location as well as provide a higher level training experience. The capital improvement outcomes include:

- 1) Increasing training capacity to 120 new volunteer advocates, and
- 2) Increasing knowledge and skills of advocates to improve youth outcomes.

In support of this increased technology, CASAJWC will employ an enhanced peer mentor model focused on improving the advocate process and experience. Twenty-four peer mentors will support 84 advocates over the two-year period who would benefit from additional resources. Each peer mentor will be paired with an advocate to answer their questions, provide hands-on training, as well as shadow home visits and court hearings. The advanced technology will allow for both in-person and virtual support. The peer mentor program outcomes are to:

- 1) Improve advocate retention rates, and
- 2) Support increased capacity to serve more children who are under the court's jurisdiction.

CASAJWC requires 30 hours of pre-service training to ensure the advocates have the know-how to best advocate for the youth they will be matched with. They must understand the law, child development, what resources exist in the community, etc. Trainings are a mix of in-person and web-based classroom training plus at-home work. New advocates generally prefer someone to sit next to them and guide them through the virtual meeting platform, show them how to submit their monthly activity log reports, and other “how to” questions.

CASAJWC will purchase a ThinkHub® collaborative system by T1V that enables working together regardless of an individual’s location. The ThinkHub® will allow their team to solve problems, share content, conduct presentations, and integrate information. This software solution works with other agency programs (e.g., Word, Google) and on any device (e.g., advocate cell phones). As part of this one-time investment, vendor T1V will install an 86” touchscreen display along with two 43” and three 55” single panel touchscreens that will be seamlessly integrated with a podium, HDMI wired laptop connection, touch panel controller, digital handheld transmitters, noise suppression through white noise emitters, video system equipment, and 16 mounted ceiling speakers. This technology will convert a conference room into a state-of-the-art, interactive training center that will enable CASAJWC to make a bigger impact in the community.

CASAJWC prioritizes recruiting and retaining culturally competent volunteers, board, and staff. CASA of Johnson and Wyandotte Counties will strive to maintain a volunteer base that reflects the makeup of the children we serve. For CASA volunteers to represent the best interests of these children, they must be sensitive to the child’s and his/her family’s heritage, ethnicity, national origin, religion, sexual orientation, abilities, and family structure. CASAJWC do their best to match the children that we serve with advocates with similar lived experiences. Their advocate orientation includes two hours of training on the value of diversity and sexual identity sensitivity. Their office and the courts are Americans with Disabilities Act compliant and assessable to people with physical disabilities. We also partner with organizations that enable us to offer language translation services and resources to advocates or families with vision or hearing impairment.

9.3 **PERFORMANCE MEASURES**

The Peer Mentor Program will focus on:

Requests for start-up costs must be negotiated during the pre-award period. Start-up costs must be necessary for the effective and economical conduct of the Grant and the costs must be otherwise allowable. Pre-award expenditures are made at the Grantee's risk. Approval of start-up costs does not obligate DCF under the following conditions: (1) lack of funding appropriation; (2) if the award is not subsequently made; or (3) if a Grant is made for a lesser amount than the Grantee expected. The Grantee shall remit the amount due by check or money order, payable to DCF as coordinated with the Granting Agency.

Grantees may keep any interest or other investment income earned on advances of DCF Grant funds as long as the monies are reinvested in the Grant itself. This includes any interest or investment income earned by sub-grantees and cost-type contractors on advances to them that are attributable to advances of DCF Grant funds to the Grantee. DCF may seek recovery of costs due to litigation.

10.11 SUB-AWARDS

Grantee may enter into sub-awards only with prior written approval from DCF. Sub-Grantee Agencies must sign off on and adhere to the Specific Terms and Conditions contained within this NOGA and are subject to the same Tax Clearance and Debarment requirements as Grantee, as well as the audit requirements outlined within the NOGA. Any payments not processed within thirty (30) days are subject to an interest penalty. Requests for interest to be paid on an invoice must be sent to the Executive Officer of the Agency. Interest will be paid at a rate of 1.5 percent per month of the unpaid balance due. Total compensation shall not exceed **\$125,000.00**.

- d. Failure to agree on any adjustment shall be a dispute under the Disputes Provision. However, nothing in this provision shall excuse Grantee from proceeding with the Grant as changed.
- e. Except as provided in this provision, no order, statement, or conduct of the Grantee shall be treated as a change to the Grant under this provision or entitle the Grantee to an equitable adjustment.
- f. This grant shall be modified only by the written agreement of the parties with the approval of DCF. No alteration or variation of the terms and conditions of this grant shall be valid unless made in writing and signed by the parties.

12.3 MODIFICATIONS SUBJECT TO FUNDING CHANGES

Grantee agrees to cooperate with DCF in negotiating this grant.

The Provisions found in Contractual Provisions Attachment (Form DA-146a, Rev. 07-19), which is attached hereto, are hereby incorporated in this contract and made a part thereof.

The parties agree that the following provisions are hereby incorporated into the contract to which it is attached and made a part thereof, said contract being the _____
1st day of October, 2023.

1. **Terms Herein Controlling Provisions:** It is expressly agreed that the terms of each and every provision in this attachment shall prevail and control over the terms of any other conflicting provision in any other document relating to and a part of the contract in which this attachment is incorporated. Any terms that conflict or could be interpreted to conflict with this attachment are nullified.
2. **Kansas Law and Venue:** This contract shall be subject to, governed by, and construed according to the laws of the State of Kansas, and jurisdiction and venue of any suit in connection with this contract shall reside only in courts located in the State of Kansas.
3. **Termination Due To Lack Of Funding Appropriation:** If, in the judgment of the Director of Accounts and Reports, Department of Administration, sufficient funds are not appropriated to continue the function performed in this agreement and for the payment of the charges hereunder, State may terminate this agreement at the end of its current fiscal year. State agrees to give written notice of termination to contractor at least thirty (30) days prior to the end of its current fiscal year and shall give such notice for a greater period prior to the end of such fiscal year as may be provided in this contract, except that such notice shall not be required prior to ninety (90) days before the end of such fiscal year. Contractor shall have the right, at the end of such fiscal year, to take possession of any equipment provided State under the contract. State will pay to the contractor all regular contractual payments incurred through the end of such fiscal year, plus contractual charges incidental to the return of any such equipment. Upon termination of the agreement by State, title to any such equipment shall revert to contractor at the end of the State's current fiscal year. The termination of the contract pursuant to this paragraph shall not cause any penalty to be charged to the agency or the contractor.
4. **Disclaimer Of Liability:** No provision of this contract will be given effect that attempts to require the State of Kansas or its agencies to defend, hold harmless, or indemnify any contractor or third party for any acts or omissions. The liability of the State of Kansas is defined under the Kansas Tort Claims Act (K.S.A. 75-6101, *et seq.*).

Further, the State of Kansas and its agencies do not agree to pay attorney fees, costs, or late payment charges beyond those available under the Kansas Prompt Payment Act (K.S.A. 75-6403), and no provision will be given effect that attempts to exclude, modify, disclaim or otherwise attempt to limit any damages available to the State of Kansas or its agencies at law, including but not limited to, the implied warranties of merchantability and fitness for a particular purpose.
8. **Representative's Authority to Contract:** By signing this contract, the representative of the contractor thereby represents that such person is duly authorized by the contractor to execute this contract on behalf of the contractor and that the contractor agrees to be bound by the provisions thereof.

10. **Insurance:** The State of Kansas and its agencies shall not be required to purchase any insurance against loss or damage to property or any other subject matter relating to this contract, nor shall this contract require them to establish a "self-insurance" fund to protect against any such loss or damage. Subject to the provisions of the Kansas Tort Claims Act (K.S.A. 75-6101, *et seq.*), the contractor shall bear the risk of any loss or damage to any property in which the contractor holds title.
11. **Information:** No provision of this contract shall be construed as limiting the Legislative Division of Post Audit from having access to information pursuant to K.S.A. 46-1101, *et seq.*
12. **The Eleventh Amendment:** "The Eleventh Amendment is an inherent and incumbent protection with the State of Kansas and need not be reserved, but prudence requires the State to reiterate that nothing related to this contract shall be deemed a waiver of the Eleventh Amendment."
