Investigative Findings FY 2025

(July 1, 2024 - June 30, 2025)

The total number of investigative findings in one year do not match the number of assigned reports in that same year due to the time between date of assignment and dates of findings. A worker has 30 work days within which to complete the investigative finding, thus it is possible to have an assigned report in one year that does not have a finding completed until the following fiscal year.

Substantiated: A reasonable person weighing the facts and circumstances would conclude it is more likely than not (preponderance of the evidence) the alleged perpetrator's actions or inactions meet the abuse and/or neglect definition per applicable K.S.A. and K.A.R., and meet criteria indicating the alleged perpetrator should not be permitted to reside, work or regularly volunteer in a child care facility regulated by KDHE or DCF Foster Care and Residential Facility Licensing.

Unsubstantiated: A reasonable person weighing the facts or circumstances would conclude it is more likely than not (preponderance of the evidence) the alleged perpetrator's actions or inactions do not meet the abuse and/or neglect definitions per applicable K.S.A. and K.A.R.

Affirmed: End Dated January 1, 2025. A reasonable person weighing the facts and circumstances would conclude it is more likely than not (preponderance of the evidence) the alleged perpetrator's actions or inactions meet the abuse and/or neglect definition per applicable K.S.A. and K.A.R.
