

REVIEW OF RECURRENT MALTREATMENT IN SIX MONTHS

Date of Review: _____ Case Name: _____

List the following information on the most recent event with substantiated finding and the previous event with a substantiated finding occurring within 6 months from the initial substantiated finding date:

Event Number	Date of Case Finding	Date of Incident	Allegation Types (SB finding only)	Name of Victims (SB finding only)	Name/relationship to the victim	CPS Specialist

Completion of the Investigation/Assessment Activities: Was the assignment appropriate? Are there elements of the investigation that were not documented? Were policy and procedures followed? Was there a pattern to the maltreatment incidents? Is the seriousness of the maltreatment escalating? Was there other sources of information missed that may make a difference in the investigation/assessment?

Concurrence with Findings: Does the reviewer concur with the case findings? Is the Basis of Findings documented adequately to support the decisions? Suggestions for documenting the case findings.

Service Provision: Have services been offered or provided? Was the family cooperative with services recommend? Were services needed available? Were services provided/recommended related to the identified risk factors?

Recommendations: Any recommendations regarding this case? Are there recommendations regarding practice, policy or procedures? Is there anything that would have prevented this maltreatment?
